

AMERICAN CANCER SOCIETY
TASTE OF HOPE
TENTH ANNIVERSARY

IN MEMORY OF
Jeff Innis

July 5, 1962 - January 30, 2022

Jeff was a small, wiry, over-the-hill pitcher with a psychology major from the University of Illinois and a master's degree in wit. He pitched seven seasons for the New York Mets, from 1987 through '93, and that he did so as a workhorse middle reliever.

HALL OF HONOR

PRESENTED BY **ADM** **KEMPER**

At Taste of Hope 2023, we will feature a Hall of Honor where guests can honor a cancer survivor, someone who is fighting cancer, or a lost loved one.

Your donation of \$250 supports of the Society's vision for a future in which cancer no longer threatens those we love. We invite you to add to our Hall of Honor by submitting the following information to kathleen.fletcher@cancer.org by October 19, 2023.

INFORMATION NEEDED:

- Name of your loved one.
- Two sentences (maximum) describing your loved one or their cancer journey.
- Cancer Type (optional).
- Important dates (optional): Date and/or age of diagnosis, date of remission, date of birth - date of death.
- 1-2 Photos of your loved one.
- Favorite recipe/cooking memory (optional)

This encompasses a 3ftx6ft banner intended for prominent display at the event, alongside a digital iteration to be showcased across screens throughout Taste of Hope. After the event concludes, we will be in touch to coordinate the seamless delivery of the banner to your preferred location.

IN MEMORY OF
