

AMERICAN CANCER SOCIETY

 **TASTE OF
HOPE**
Tenth Anniversary

**AUCTION
OPPORTUNITIES**

Every cancer. Every life.™

OUR MISSION IS SIMPLE.

SAVE LIVES AND CELEBRATE LIFE. EVERY SINGLE DAY.

The American Cancer Society is a global, grassroots organization driven by science, best practice, and more than 1.5 million volunteers. Our mission is to save lives, celebrate lives, and lead the fight for a world without cancer. We fulfill our mission by funding research, providing patients information, improving access to care, prevention, and treatment and through advocacy.

Cancer is a disease that affects everyone, but doesn't affect everyone equally, and we are committed to providing everyone a fair and just opportunity to prevent, find, treat, and survive cancer. We believe no one should be disadvantaged in their fight against cancer because of how much money they make, the color of their skin, or where they live. **Cancer doesn't stop, so neither can we.**

GENEROSITY KEEPS US GOING

Over the past 100 years, the American Cancer Society has been working relentlessly to end cancer. We're not there yet, but with the help of our donors, we've made some incredible progress. Breakthrough research. Free lodging near treatment. A 24/7/365 live helpline. Rides to treatment. This is far from a complete list, but it makes one thing clear. When it comes to cancer, we are the only organization attacking from every angle.

AUCTION DONOR BENEFITS

Contributing an auction item to Taste of Hope Chicago is a unique opportunity for a corporation or individual to make a commitment to the health and well-being of our community.

RECOGNITION BENEFITS

Auction donations will be recognized on our mobile bidding platform during the event and will include a full description of the item/experience and the donor's name.
