

HALL OF HOPE

On Thursday, November 4, 2021 the American Cancer Society will celebrate the 8th annual Taste of Hope and more than \$2.3 million raised to help liberate the world from the threat of cancer.

Taste of Hope will highlight those who have been impacted by cancer in our Hall of Hope— a powerful way to honor your loved one’s unique story on the night of the event.

Whether they have conquered the disease, are currently in treatment, or lost their fight with cancer, the Hall of Hope will celebrate the lives of those we love. The Hall of Hope is a tribute to those who we love who have fought cancer that will be installed at this year’s Taste of Hope event.

All Hall of Hope banners will slightly vary but will be like the above image.
